Clarification of the quality expiration date of Shachihata's products

To whom it may concern,

According to our internal policy of the Quality Assurance Department, the estimated quality expiration date of our product is provided for your reference only.

1. Artline Marker (Quick-drying writing instrument): 2 years
2. Artline Marker (Water-based, liquid ink, and other writing instruments): 3 years
3. TAT Stamp Pad Ink: 5 years

Remark:

The estimated quality expiration date mentioned above is aimed at ensuring a comfortable writing period after manufacturing. However, the shelf life of our products may exceed this estimate depending on the environment in which they are placed and the conditions of usage.

This letter shall be valid for one year from issued date.

We trust the above clarify matters.

Thank you.
